NIKAH APPLICATION FORM

We are pleased that you have chosen our Masjid to perform your Nikah following the Sunnah tradition. Please complete this application and hand deliver it to the Masjid Office at the above address.

Nikah (marriage) is a sacred social contract between bride and groom and is strongly encouraged in Islam. It is declared to be one half of a Muslim's faith. In another narration the Prophet Muhammad (PBUH) has been reported to have said;

Do not delay in three things;

- The offering of the obligatory prayer.
- The offering of the funeral prayer when the deceased's body is present.
- The marriage of a woman when her suitable match is found.

There are a number of things to be taken into consideration before one can arrange a Nikah:

- Mutual consent from both the bride and groom for the Nikah (marriage)
- Two adult witnesses and representation from the bride who will be present at the Nikah.
- Mehr – The marriage-gift (Mehr) is a divine injunction. The giving of Mehr to the bride by the groom is an essential part of the contract and may be paid in cash, property or movable objects to the bride herself. The amount of Mehr is not legally specified, however, moderation according to the existing social norm is recommended. The Mehr may be paid immediately to the bride at the time of marriage, or deferred to a later date, or a combination of both. The deferred Mehr however, falls due in case of death or divorce.

Policy and Procedure:

- The bride and bridegroom must have UK residency, evidence to be provided
- If any party has non-British nationality they must produce a civil marriage certificate or approval of marriage from the Home Office prior to Nikah
- Nikah to be performed only by the Masjid Imaam appointed to conduct the ceremony and on Masjid premises.
- This application form must be submitted to the Masjid office at least 21 days prior to the date of the Nikah.
- Administration fee of £100.00 plus £20 officiating fee is payable with the application form.
